

TBI

An elderly woman with short grey hair and glasses is sitting in a tan armchair, focused on knitting a green piece of fabric. She is wearing a dark blue sweater with a red heart and a white diamond pattern. The background shows a window with sheer white curtains and a wooden curtain rod. The scene is warmly lit, suggesting a comfortable indoor environment.

We feel responsible for our living environment.

LIVING WITHOUT NATURAL GAS IN 2050

Kabinet: Nederland in 2050 vrij van aardgas

Energieagenda Het aardgas verdwijnt uit de Nederlandse huishoudens. Er wordt geen nieuwe gasinfrastructuur meer aangelegd en de aansluitplicht wordt geschrapt. Dat staat in de Energieagenda die woensdagochtend is gepresenteerd.

CROONWOLTER&DROS TRAINEESHIP

This is one of the reasons that we are looking for you

CROONWOLTER&DROS TRAINEESHIP

Croonwolter&dros offers a traineeship to a select group of ambitious students every year.

As a trainee you will go on a two year journey through our organization, encompassing different departments and business units. Through a combination of theory and practise, you'll get acquainted with all that Commerce, Technology, Processes, Finance and Management entails.

During your traineeship you'll be given 4 assignments, stretching 6 months each.

Together we will select the best assignments matching your development goals.

Selection on **June 25th** and **July 11th**.
